Invites you to a webinar on *Genetic evaluation of Recurrent Early Pregnancy Loss*

22TH November 2022, 3.30 – 4.30 PM

BSOG welcomes you to yet another interesting aspect of Recurrent Early Pregnancy Loss. When do we ask for Genetic evaluation, what test do we order and how do we use the information for a successful pregnancy outcome?

Our young and smart **Dr. Priya Ranganath**, will deliberate on these questions. So, please come, interact and get your doubts clarified.
