Residency Road, Bengaluru

**LIVE Robotic Surgery Workshop
and GYNECOLOGICAL ONCOLOGY**

Dear Friends

It gives us great pleasure to invite you for a two day masterclass in Robotic Gynec surgery and recent advances in Gynecological oncology.

The two day event is organised in collaboration with Intuitive surgicals India Pvt. & Bangalore Society of Obstetrics & Gynecology (BSOG)

It will be a two day event on 9th and 10th June 2018. The 1st day i.e on 9th June 2018 will be a live robotic surgery workshop. The focus would be on demonstration of pelvic and retroperitoneal anatomy, dissection of vital structures and safe uses of energy devices. Overall the emphasis is on how to safely perform a Robotic hysterectomy both for benign and malignant conditions. Good knowledge of retroperitoneal dissection is helpful in performing difficult hysterectomies. We have eminent Robotic Gynec surgeons Dr. Yogesh Kulkarni from Kokilaben Ambani hospital, Mumbai and Dr. Anupama Rajababu from Amrita Institute, Kochi as the operating Faculty. 1st 30 registered delegates will be entitled to a hands on simulator session on the Robotic console. The program will be beneficial to the practicing Gynecologists, laparoscopic surgeons and postgraduate students.

On the 10th June 2018 is a symposium on recent advances/trends in the field of Gynec-oncology. We will have the experts in the field of Gynec-oncosurgery, radiation oncology and medical oncology enlighten us about the recent advances and landmark evidences in the field. The emphasis is on recent landmark evidences published / presented in surgery, radiation and chemotherapy.

PROGRAM

Day 1: 09-06-2018

Harold Varmus Auditorium

08:30 am - 09:00 am

Registration/Breakfast
